1. Homepage

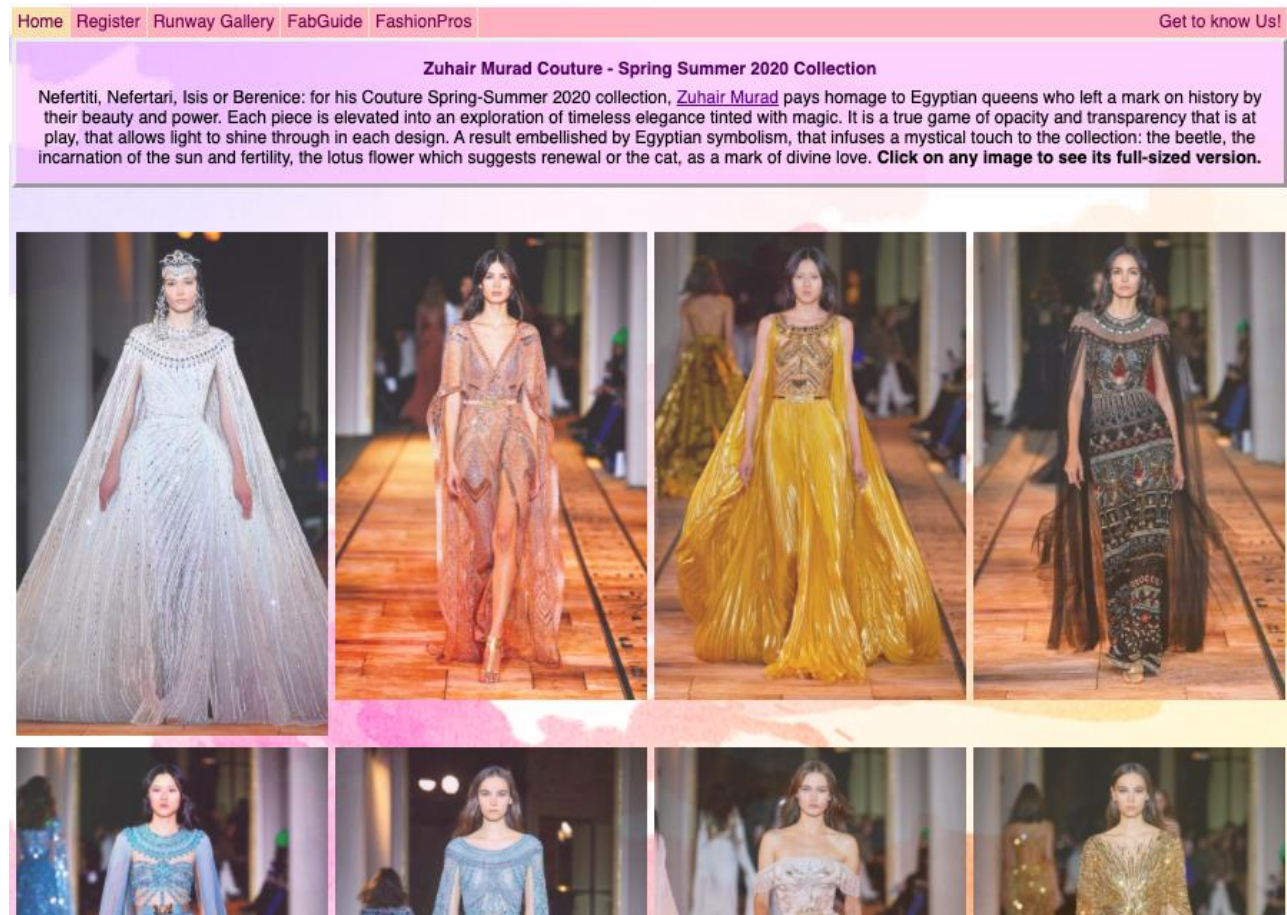

Shown in the screenshot above: the header including the website logo and below it the navigation bar encompassing the pages of the website.

2. Registration form

The registration form is titled 'Become a member of the FAB Family!' in white text on a red background. It contains several input fields with labels: 'First name' (placeholder: 'Type your first name'), 'Last Name' (placeholder: 'Type your last name'), 'E-mail address' (placeholder: 'Enter your e-mail'), 'Phone' (placeholder: 'Insert your phone number'), and 'Address' (placeholder: 'Type your address'). Below the address field are radio buttons for 'Gender' with options 'Male' and 'Female'. There is a 'Password' label followed by a long input field. At the bottom left is a 'Submit' button.

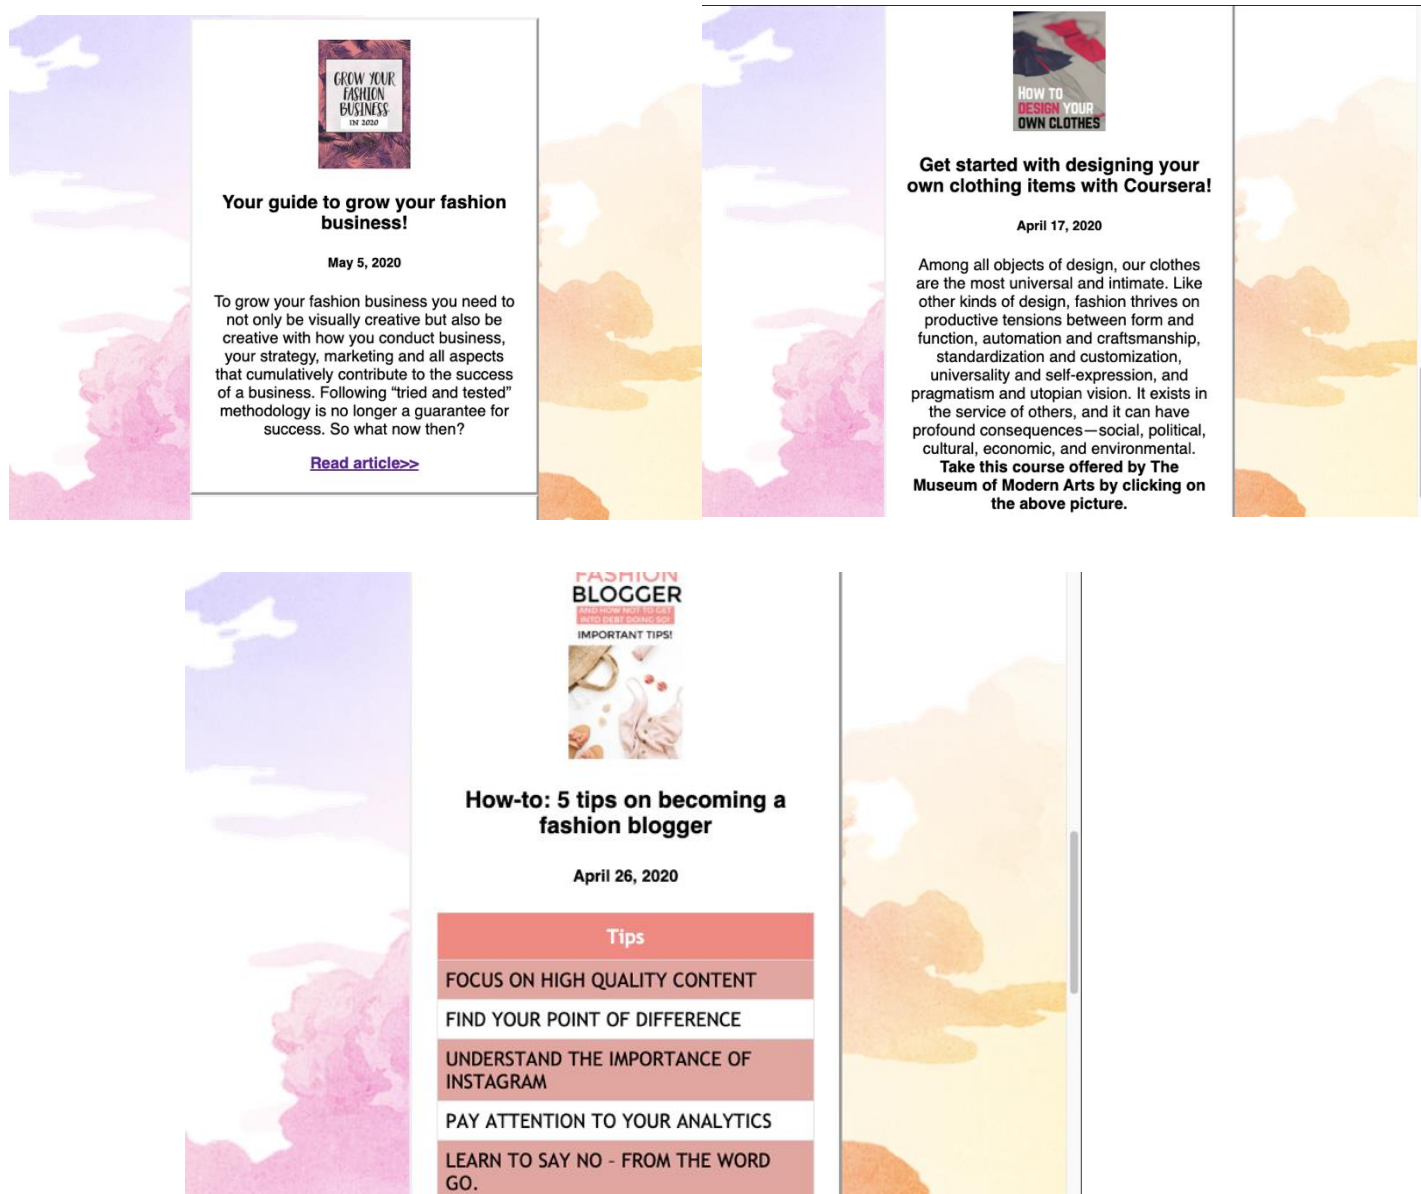

Shown in the screenshot above: a registration form including first name, last name, email, phone number, address, gender, password. The forum was created using HTML and CSS. JavaScript was used in password validation.

3. Runway Gallery

Shown in the screenshot above: a fashion photo Gallery showcasing the latest collection by the Lebanese designer Zuhair Murad during Paris Fashion Week 2020. This responsive gallery was created by using CSS and HTML.

4. FabGuide

In the three screenshots above: Three divisions to guide on how to become better at fashion. The first screenshot is a **link** to an article published on the internet. The second screenshot is **a link as an image** to a Fashion design course supplied by Coursera website. The third screenshot is a small **table** containing fashion tips.

5. FashionPros

In the screenshot above are some links to the performance of the most important fashion blogs and bloggers to follow.

6. Get to know Us!

A screenshot of the 'The FAB' website showing the 'OUR GOAL' and 'Contact Us!' sections. The 'OUR GOAL' section contains a paragraph about the platform's mission. The 'Contact Us!' section includes a form with a text input for 'E-mail address', a larger text area for 'Write something..', and a 'Submit' button. The footer shows the copyright notice for 2020.

In the previous screenshot a brief A brief definition of the website isn't included along with a “contact us’ section where the user can submit what do you want to say or ask.

Get started with designing your own clothing items with Coursera!

April 17, 2020

Among all objects of design, our clothes are the most universal and intimate. Like other kinds of design, fashion thrives on productive tensions between form and function, automation and craftsmanship, standardization and customization, universality and self-expression, and pragmatism and utopianism.
